LINK Business Hub is located at 271 Brunner Road, Adamstown on the corner of Victoria Street and Brunner Road and is part of the Adamstown shop community near Glebe Road. The courtyard entrance is on Brunner Road opposite the Nags Head pub through a silver gate.

Ample free parking for 100+ cars is available in a council car park located directly behind the Nags Head pub. The car park is accessed via Victoria Street or Date Street, Adamstown.

By CAR:

Approaching from Sydney and Charlestown, turn left into Brunner Road off the Pacific Highway. Continue straight through a roundabout. Just before the second pedestrian crossing, turn left into Victoria Street, and then turn right immediately after the Nags Head pub building into the car park driveway. Park here and return up the hill to the pedestrian crossing which is in front of the LINK building.

Approaching from Broadmeadow, travel down Brunner Road and cross over the Glebe Road intersection. At the pedestrian crossing, turn right and park in the car park as above.

Approaching from Adamstown station, travel down Glebe Road, turn right into Date Street (at a shop called The Spinning Top) and turn immediately left into the car park.

Please note local turning restrictions: Victoria Street is one way in front of the LINK building and therefore you cannot turn into it from Brunner Road and there is no right hand turn into Brunner Road from Glebe Street.

BY TRAIN:

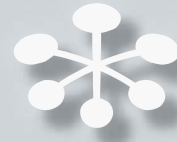

Adamstown is the nearest station and is within walking distance of LINK Business Hub.

Turn right at the Newcastle Permanent Bank and cross to the other side of the road at the pedestrian crossing. LINK Business Hub is now in front of you on the corner.
